Global Church of the Nazarene

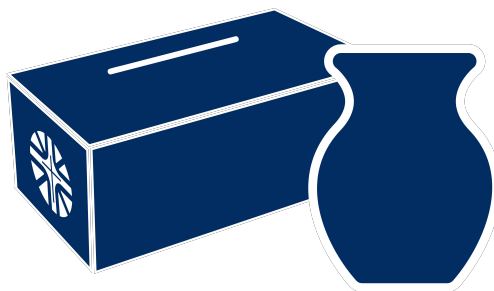

Alabaster 75th Anniversary Year

Did you know that Alabaster is often the confirmation and capstone of all the work that has gone into planting new churches in places where the Church of the Nazarene has not yet been able to establish work? Alabaster also provides the impetus or stimulus that brings a receiving congregation to a profound sense of their need to be a contributing congregation to the Alabaster Offering for other areas around the world.

This month's Alabaster video shows the passion of pastors and people in Paraguay, to see the work of the Church of the Nazarene enter new areas, and build places of worship, learning, and community service.
