

Kid's Kaleidoscope

Countries of the Month

Windward Islands District

St. Lucia, St. Vincent, Grenada

Mesoamerica

CONVERSATION CENTRAL

In the story what two things happened as a result of the prayer walks?

"Many testimonies of victory were shared by children, young people, and adults." Do you have a story of victory in your life? Share that with your family or friends.

On the third page of this Kaleidoscope you are going to be asked to go on a prayer walk. Imagine the good things that can happen because you prayed.

WHY PRAY?

The people in our story prayed for 40 days leading up to Pentecost.

Pentecost is when the Holy Spirit came, as Jesus promised, to empower the Church to change the world.

To empower means to help disciples of Jesus to share the Good News and to go out and make a positive difference in their world.

Pray for the Holy Spirit to help you do this!

MATCH AND COLOR THE FLAG

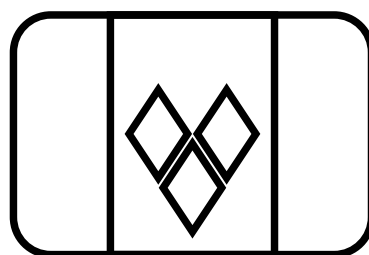

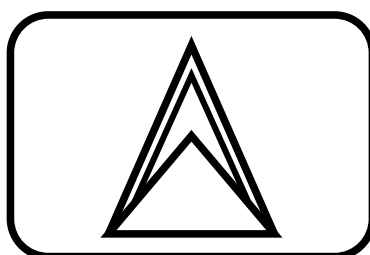

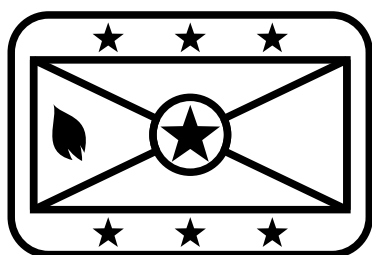

Read the explanations of each flag and draw a line to the flag it represents. Then color the flag using the samples at the top of the page.

St. Lucia Flag – The gold in the flag represents the sunshine in the Caribbean. The black and white represent the European and African heritages, living and working in unity.

The isosceles triangle reminds us of the famous twin Piton Mountains, rising out of the sea. They are a symbol of the peoples hopes and dreams.

St. Vincent and Grenadines Flag – The green diamonds are shaped in a V for Saint Vincent. The Blue represents the sky and sea. The gold is for warmth, the bright spirit of the people and the golden sands of the Grenadines. The Green represents the lush vegetation of Saint Vincent's agriculture. The Flag may also be called "The gems".

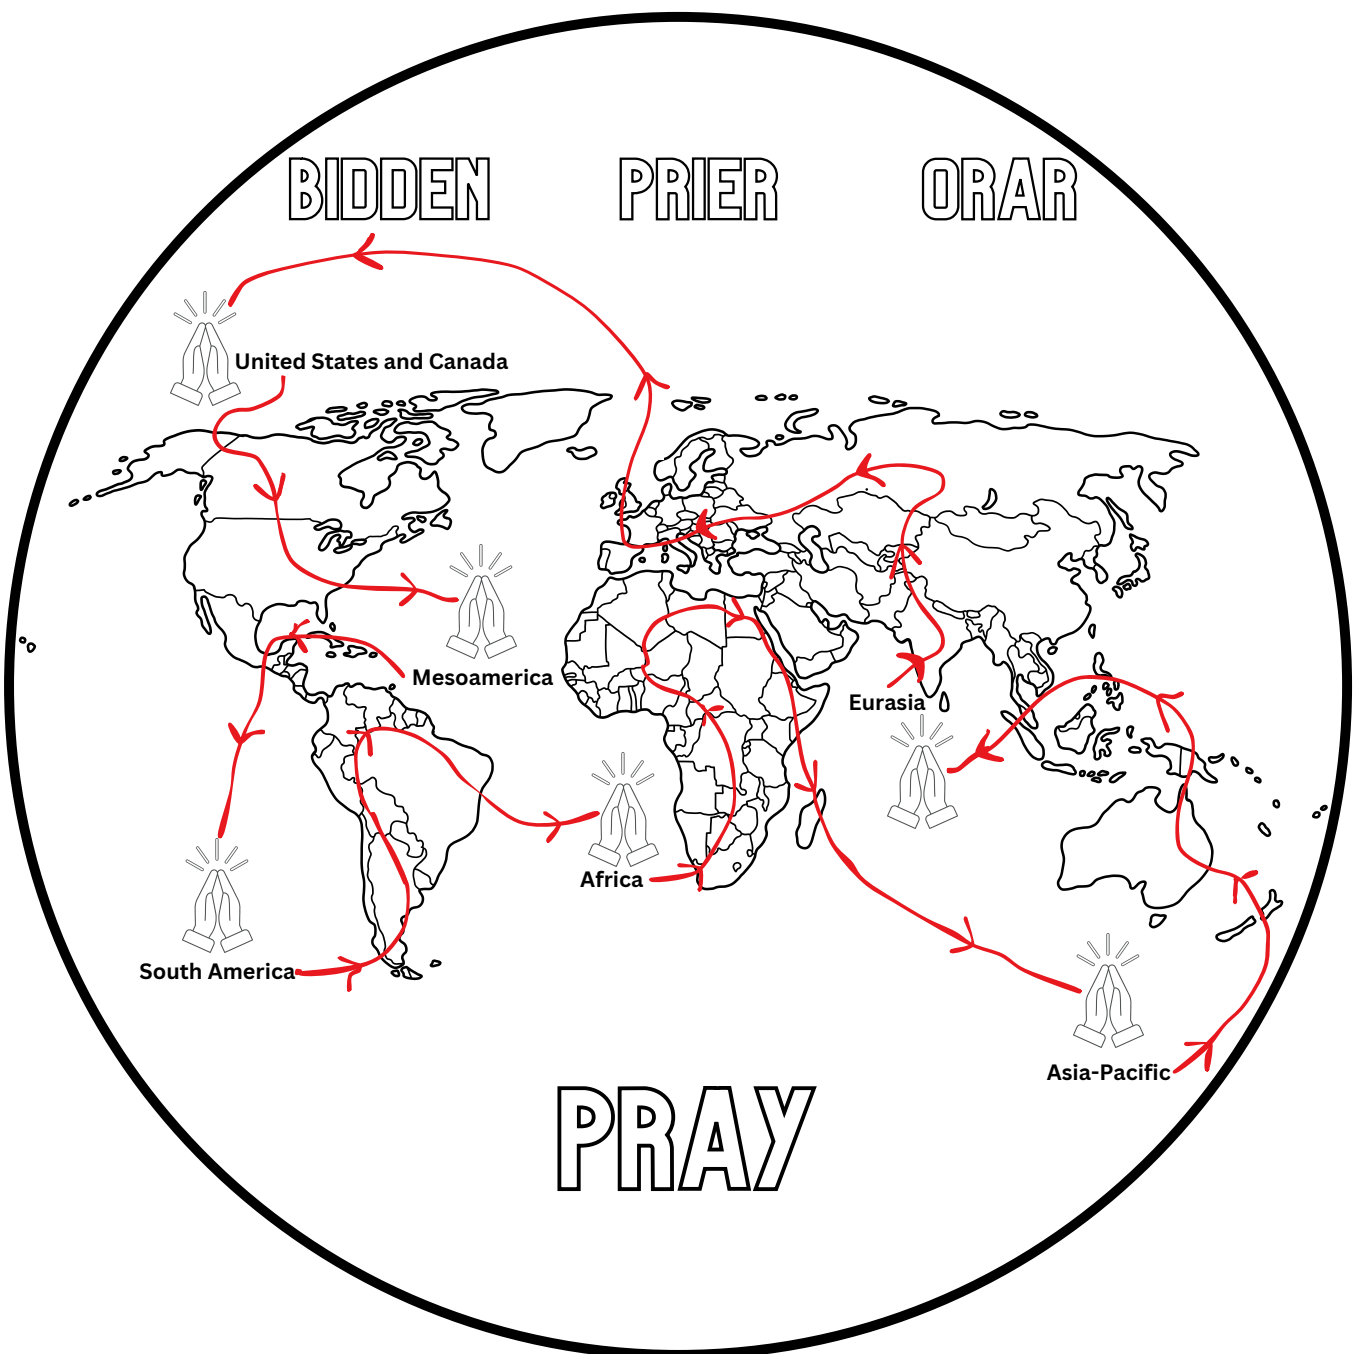

Grenada Flag – A red rectangle with seven gold stars, representing the original subdivisions of Grenada. In the center a smaller rectangle, divided into four triangles with a red circle and gold star. Gold represents wisdom and the sun. Green represents vegetation. A nutmeg pod on the left, is an important crop of the island.

KALEIDOSCOPE PAGE

Prayer is very important and everyone is invited to pray. Below you see a globe of the world. At the top it says "PRAY" in Dutch, French, and Spanish. At the bottom it says Pray in English, these are the main languages of the Mesoamerica Region. Because no matter what language we speak, God hears and understands us! As you color your kaleidoscope, talk to God in your language!

Then, find where you live on the map? Do you know what region you live in? Start where you live, then follow the red arrows and pray for each region around the world. Our friends from St. Lucia, St. Vincent and Grenada are from the Mesoamerica Region, but we have Nazarene family in all six regions. Hope you enjoy praying around the world.

"Never stop praying."

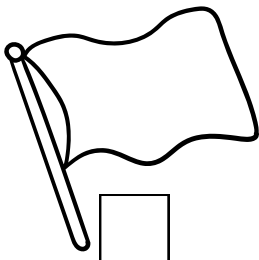

1 Thessalonians 5:17 NLT

Prayer Walk

We learned that the Nazarenes who lived on the islands of St. Lucia, St. Vincent and Granada participated in a prayer walk around their islands. Gather some friends and family and go for a prayer walk around your neighborhood.

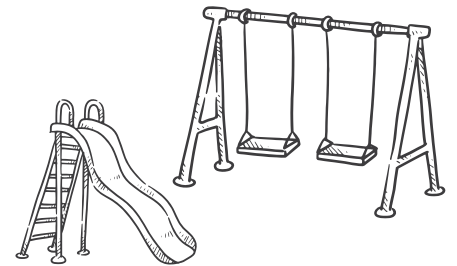

Use the Symbols below to guide how you pray for your community as you go on your prayer walk! Take a marker with you and check the box of each one you see and pray for in your neighborhood. You can color this when you get home.

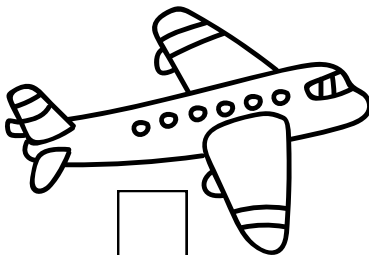

☐ Pray for the government and community leaders

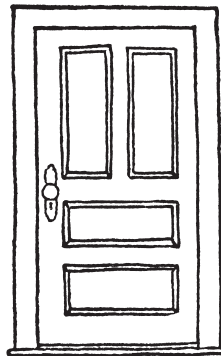

☐ Pray for the emergency responders

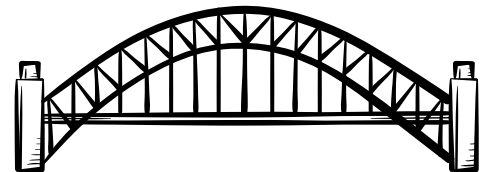

☐ Pray for the children in this community

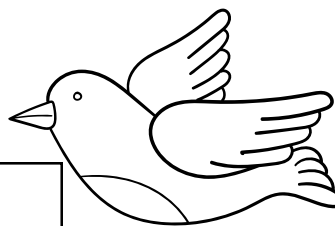

☐ Pray for the Immigrant communities where you live

☐ Pray that doors would be open to show Christ's love

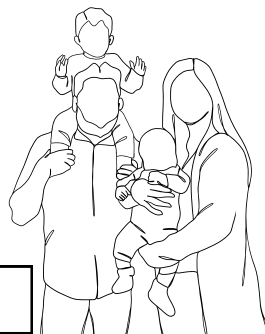

☐ Pray for unity and peace where you live

☐ Thank God for his fun and beautiful creation

☐ Pray for your teachers and your school

☐ Pray for our neighbors and ask God how you can share His love with them

☐ Thank God for food and pray that everyone in your community would have something to eat
