Chaplain Robinson. Former NNC Grad, **Receives Silver Star**

CAPT. LYLE ROBINSON

A 1939 graduate of Northwest Nazarene College, Chaplain Lyle Robinson has been awarded the Silver Star for gallantry in action.

The order accompanying the Silver Star relates how Captain Robinson arrived in a company area last Oct. 27 to conduct services and found the position under intense mortar fire. Despite the enemy fire, he went from bunker to bunker visiting the men. Then, receiving word that officers had been wounded at the command post, he went to that area under heavy fire and prayed with the wounded officers. There he learned the communications system had failed and volunteered to carry a report to the battalion commander.

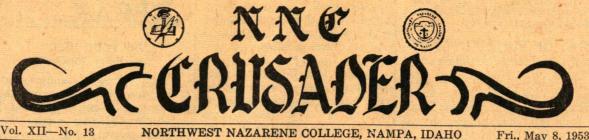

"Chaplain Robinson's heroic action in the face of the armed enemy served as an inspiration to all connected with him," the order said, "and his loyalty and outstanding devotion to duty reflect great credit upon himself and the United States Army.

Captain Robinson's wife lives at 616 Sixteenth Avenue South, Nampa, and he is the brother-in-law of Mrs. Rose Voget, professor of secretarial training.

After his graduation from NNC, Chaplain Robinson pastored in (Continued on Page 4)

has been named this year's top senor scholastically, with an enviable and faithful preparation of assigngrade point average of 3.90. Salutatorian of the '52-'53 class is Norma Jean Wells, completing a nursing curriculum with 3.76 average.

Son of Rev. and Mrs. Martin N. Swinney of Caldwell, Dale is married and the father of an 8months-old girl. In addition to his college work he has pastored for

Dale Swinney two years and works at present in a printing office. Dale has been active in Alpha Phi Lambda, Philharmonic, Crusader Choir and band. His future plans include further work at the Nazarene Theological Seminary.

When asked to what he attributed a 3.90 grade point average, Mr. Swinney said, "There have been several contributing factors, such as the helpful professors I have had, the ambition to get good grades instilled in me from my earliest school days by my par- ities given him."

Mu Upsilon Sigma **To Present Recitals**

Mu Upsilon Sigma will present two afternoon recitals of particular interest to NNC students and faculty. First of the two will be given Wednesday at 4 p. m., May 13. Virginia Walton, pianist, and Darlene Gentry, soprano, will be featured.

Miss Walton, a pupil of Mrs. Alline Swann, is a senior and will receive her bachelor of arts degree with a major in music this June. Miss Gentry is a junior and is a pupil of Charles Ross.

The second in this series of recitals will be given by Eloise Tate and Norman Crofford. Both are students of Mrs. Alline Swann. This program will also be given at 4:00 p. m. in the College Auditorium on May 20.

Both these recitalists are sophomores, Crofford majoring in music theory and Miss Tate in business administration.

Earliest Completion In School's History

Official presentation of the 1952-53 Oasis will be made in chapel next Tuesday, according to Editor Joe Keen. Initial copies will be given to the president of the college, to the person honored in the dedication and to the sponsors.

Seniors may receive their copies from 6:30 to 7 Wednesday evening at the Oasis office and distribution to the remainder of the student body will be made from 7:00 to 7:30.

Members of the Oasis staff will be guests of honor at a banquet held at the Swy Restaurant near Caldwell Monday evening. In accordance with tradition, staff members will receive their copies at the banquet, but will keep them "in hiding" until the formal presentation in chapel.

As previously stated in the NNC Crusader, new and different features have been combined to make the book 12 pages larger than last year's. College High received more space and 21 pages are devoted to departmental clubs, organizations and societies. New features include sections entitled, "Time Out for Talent" and "In Special Recognition."

Joe attributes the early completion of the annual to the meeting of each successive deadline and the cooperation of staff members. In the past the Oasis has not been ready for distribution until the last few days of the school year.

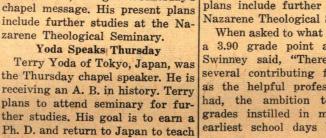

In a telephone conversation with Mr. Swanson, manager of school annuals at Caxton's, the NNC Crusader was informed that this is the earliest completion date NNC has ever had. Mr. Swanson said, "Mr. Keen was an efficient editor and must have had a well-organized staff to have turned out such a successful book." He also paid special tribute to Don Mesman, business manager, and said he had enjoyed working with this year's staff.

Mr. Swanson also commented on the opening section, the copy and the design, as well as the art work.

NOTICE

Applications may be made through the Registrar's Office for Idaho Teaching Certificates. Also, the 1953-54 catalogues and summer school bulletins are available.

The May 21 test is primarily for students prevented by illness or other emergencies from taking the test April 23, but General Hershey emphasized that this did not bar any qualified student from taking the test if his application is mailed before the deadline. He also stressed that students who have a certificate of admission for the April 23 test which they failed to use on the assigned date must submit new applications if they wish to take the May 21 test. He added that the May 21 test will be the last test this school year.

TO COLLEGE SENIORS—WHAT OF YOUR FUTURE? (An Open Letter from Secretary of Labor Martin P. Durkin)

It has become a spring custom for the Secretary of Labor to advise college seniors of the job opportunities which await them upon completion of their collegiate work. It is therefore with pleasure that I take this opportunity to congratulate you upon achieving one goal in your career. I also extend a hearty welcome to those of you who will join the men and women of the nation's labor force and begin working toward succeeding goals.

Some of you will go on to do graduate work in your chosen field. For most of you, however, your bachelor's degree will mark the completion of your formal education. Many of you will face a period of military service. Whatever you do now, it would be profitable to develop a vocational plan for your future, if you have not already done so. Such a plan should be based upon the relationships between your own interests, abilities and training, and long-range economic opportunities. Your first post-college job, your graduate work, or your military service, as the case may be, should fit into that plan and advance you along your chosen path.

The economy of the United States is now operating at record-breaking levels. The job outlook this year is excellent. You will, however, be faced with the problem of getting started in the field of your choice. Common sense dictates that you learn as much as you can about where the immediate and the long-range opportunities lie-in what industries, in what occupations, and in what sections of the country.

The attached article discusses the general over-all situation and presents information with respect to job opportunities in a number of broad fields, most of them professional. This information should be supplemented with information and services which you may obtain from campus placement and guidance bureaus and from local offices of State Employment Services affiliated with the Labor Department's United States Employment Service, including more detailed local and regional employment information, and professional counseling, testing, and placement services so valuable in facilitating the process of finding a satisfactory job.

There is sometimes a glamour attached to the job openings created as new industries are born or existing industries expand. It is well to remember, however, that most of the jobs taken by this year's college graduates will be, as usual, those which have been vacated by other workers. Deaths and retirements at the top of the occupational ladder create the largest number of openings at the bottom. It follows that most of the openings will occur in the large industries and in the areas where there are now the heaviest concentrations of employment.

It is my hope that you will speedily find employment where you can best utilize your knowledge and skills and contribute most to the society that made possible your education. Collectively, you and your classmates are a national resource of major importance. We need the work of your hands and minds and the cooperation of your hearts if our country is to prosper and grow, and retain its leadership of the free world.

Yours very truly, Martin P. Durkin, SECRETARY OF LABOR.

(Ed. Note: The article referred to in paragraph 4 is posted in the NNC Crusader office. The information covers job outlooks

in the following fields: Engineering, Natural Sciences, Teaching, Business and Law, Social Work, Federal Civil Service and Health Professions. If you are interested, stop by and read it.)

A SUMMER CREED

I believe in the flowers, and their glorious indifference to the change of the morrow.

I believe in the birds, and their implicit trust in the loving Father that feeds them.

I believe in the prayer-chanting brooks, as they murmur a sweet hope of finding the far distant sea to which they patiently run.

I believe in the whispering winds, for they teach me to listen to the still, small voice within my feverish soul.

I believe in the vagrant clouds, as they remind me that life, like the summer day, must have some darkness to reveal its hidden meaning.

I believe in the soft-speaking rains, accented with warm tears, telling me that nothing will grow save it be fertilized with tears.

I believe in the golden hush of he sunsets, reflecting a momentary glory of that world beyond my little horizon.

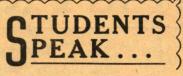

I believe in the soft-falling dew, revealing the infinite spring of living waters for things parched and withered.

I believe in the holiness of twilight, as it gives me sense of the presence of God, and I know I am not alone. And whatever else I believe is

DO YOUR BEST By Betty Miralles

It was during a summer youth camp in a class concerning the problems of young people that I heard the following words: "Do your best in everything. Put everything into what you do whether it is in serving the Lord, doing school work, in playing ball, or in doing any other activity in life. Do your best for Christ." I have never forgotten those words and they have come to me time after time, especially while I have been at NNC. I am afraid that we, as college students, get the idea that we can excel in one thing or do our best in one phase of life and let down in others. But it seems that if God wants part of us-He wants all of us. When we become consecrated followers of His, we give Him our all. If God does not expect the best from us, then there is something extremely strange about the teachings in the Bible concerning an allout, cross-bearing and Christ-centered religion.

There is an inner satisfaction which comes from trying to do something the best way we can even though we fail. It is the one who never attempts anything that accomplishes nothing.

While in school, we should strive to do well in everything (and I might add, this includes our studies). Do your best. If your best is just doing a few little tasks and getting average grades, that is all you can do. If you are one who can do many things and get an excellent average, very well; but watch yourself that success does not go to your head.

NNC is a place in which every one can enjoy the fellowship of playing together in sports. If you are going to play ball, play hard and fair and square and learn to take defeat with a smile as well as the win. It is easy to win but what is your attitude? It hurts to lose

sometimes, but lessons can be learned even through losing a ball game if the loss is taken in the right way.

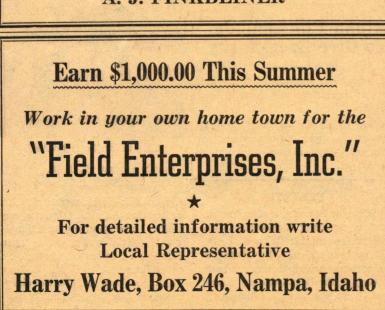

If we are going to take the name Christian we will be sure to have God's guidance in the above activities. But now, let us narrow it down to doing our best in just serving the Lord. Do you keep on the move for the Lord-busy about the Father's business? Is your devotional life what it should be? What is your response when asked to teach a Sunday School class, sing, or lead a young people's service Do you do your best in representing the Lord Jesus Christ in conversation? It seems that some of the slang words heard around NNC would not be an example of our best. When it comes to going out to witness and knock on doors, are you one of the group? Have you the backbone to do all of these things when others around you are taking it easy and have lots of free time? How can we waste time and then say we do our best? If you really want to be happy,

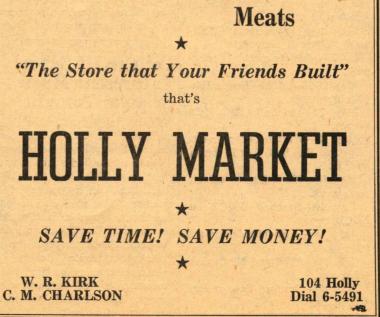

DO YOUR BEST. It is great to finish each day and to say, "Father, I have done my best for Thee."

All dressed up and no place to go isn't as bad as having a car and no place to park.

NNC Track Squad Competes Tomorrow In Walla Walla Meet

NNC crusaders took second in the annual BJC invitational track meet behind Eastern Oregon College of Education in a four-way race with College of Idaho entering with the other three schools. The Crusader squad leaves today for Walla Walla and the Whitman Invitational meet tomorrow afternoon.

Taking three first places and four and runs batted in. seconds, the black and orange were not in contention for first place, having scored less than half the number tallied by EOCE which won their own four-way meet last week but pushed past Boise Junior College 42-28 behind the 90 points garnered by the Mountaineers. C. of I. trailed with 12.

The undefeated mile relay team swept to another first in a time of 3:39.9 and the once-beaten 880yard relay team came up with another blue ribbon in 1 minute 36.1 seconds. The other first place ribbon was taken by Wayne Aller in the broad jump with a distance of 20 feet 8½ inches.

Rich Powers' took two second places in the 220-yard low hurdles and the 440-yard dash, Les Martin took second in the mile run and Paul Bynum, running the distances for the first time, came in second in the two-mile and fourth in the mile.

On Saturday, the Crusader thinclads run against three schools not yet faced this year and one which is altogether new in the meet records. Whitman of Walla Walla has invited Whitworth College of Spokane, Central Washington College of Education from Ellensburg and Yakima Junior College as a new entry in their annual meet. EOCE and NNC will complete the .six-team field.

Harry Detwiler Leads Squad With .515 Batting Mark

Big Harry Detwiler, Crusader second baseman, is leading the pack at bat through the first eight games with a powerful stick, swinging at the sphere for 17 safe hits in 33 times at bat for an average of .515, far ahead of runner-up Len Back among the regulars. Back however is leading the team in home runs

Thirteen of Detwiler's hits have been singles but Harry has hit for the cycle, getting one double, a triple and a home run. Back hit two home runs in a 12-5 romp over BJC and again against the Broncs in the 13-3 decision for his total of three. Back has ten RBI's, two more than Mickey Dean's eight.

The only other home run besides those gained by Back and Detwiler was a pinch hit two run homer by Don Morgan against BJC.

Detwiler also leads in stolen bases with 11, and has yet to be thrown out while attempting to steal. The fastest base runner on the team, he was out only once while on the base paths, caught in a rundown between third and home.

the masterful pitching of Arlan

The surging SLA men blanked the ADPs 7-0 as Carl Bryson pitched one of the finest games this season. He struck out five of the first six men to face him and only gave up four hits the entire contest. The big hit of the game was a four-bagger with one on by Glenn Knapp.

ADPs OUTSCORE OLYS 8-4 The ADP men beat out the Olys in the third game of the season; it is the second win for the ADP nine. The ADPs rallied in the first and second for three and five runs each inning. The Olys got three of theirs in the third on a three-run homer by their pitcher, Leon Doane.

LSPs UPSET SLAs 3-2

The LSPs upset the league-leading Olys behind the one-hit pitching of a newcomer, Arlan Anderson. The score was tied at two-all in the second frame after John Stockett of-town conference. of the SLAs smashed out a roundtripper. In the third the LSPs pushed ahead and the score stood at 3-2 when the game ended. **SLAs EDGE OLYS 6-5**

The SLAs edged the Olys to retain their first place position. Bryson of the SLAs was credited with the win, while Doane of the Olys, who pitched a fine game, allowing only three hits, suffered the defeat because of poor support.

ADPs BLANK LSPs 2-0 ADP fellows, now in full control of second place, blanked the hardfighting LSPs 2-0. Russ Miller of the ADPs pitched one-hit ball and received fine support from his team mates to receive the win.

Varsity Ball Team Gives Way to C of I

Coach "Pop" Frazier's baseballers have lost their first game in seven outings but took the field yesterday afternoon against the same team which beat them, the College of Idaho, more determined than ever to prove that the Crusaders are the best in the valley. A Tuesday afternoon game started the week's baseball activity in the first game since the 8-4 loss to the Coyotes. The team journeyed to the Mountain Home air force base for the second meeting with the servicemen, NNC winning the first, 11-7.

Next week will be the heaviest activity of the spring for the baseball squad with two doubleheaders and a single game. All five games will be away from home. Monday the team moves into Boise for their fourth game with BJC as the Broncos look for their first win over NNC in regular season play.

NNC Crusaders will play the Wednesday doubleheader with College of Idaho and Saturday's two games against Eastern Oregon without the services of Dick Ivester, the catcher who has proved his worth to the team after hitting safely in three consecutive games. Ivester will be attending an out-

NNC Observes Annual Open House; Dr. Hugh Benner Makes Dedication Dr. Hugh C. Benner, general su- Miller, Ivester

perintendent of the Church of the Nazarene, offered the dedicatory address and prayer for the formal dedication of the Home Economics building last Sunday.

Dr. Benner is a graduate of Olivet Nazarene College, Kankakee, Ill. He received the M. A. degree from the University of Southern California and the honorary D. D. degree from Northwest Nazarene College. In addition he has done graduate work in Vanderbilt University and Boston University. Dr. Benner served as the first president of the Nazarene Theological Seminary, from which he was elected general superintendent of the Church of the Nazarene in June, 1952.

Others Take Part

Included on the program was a sextette composed of Bernice Egger, Floradell McKay, Muriel Ivester, Geri Leih, Jennie Ray and Neva Templeman, who sang Schuler's "Like Mountain Streams." Dr. Thelma Culver presented a short history of the Home Economics Department of NNC. Following the address, Rev. I. F. Younger, representing the Board of Regents, presented the keys to President Riley and Mrs. Alvin Aller, head of the Home Economics. Department.

After dedication ceremonies, the building was open to the public. Usherettes were girls from the household administration classes. Incidental music and refreshments were provided by members of the home economics classes and club.

Prayer Chapel Dedicated

In addition to the dedication and open house of the Home Economics building, Dr. John E. Riley dedicated the prayer chapel in Morrison Hall, this year's project of the Circle K club.

Open house was held on the entire campus with displays from numerous departments and clubs open for inspection. Residents from each of the dormitories conducted guided tours through their campus residences.

Business Club Fetes Seniors At Banquet

Graduating seniors of the Business Club were honored with a banquet held recently in the Home Economics building.

Mr. W. R. Chapman, local business man of Nampa was guest speaker. Jack McEvoy served as master of ceremonies and Gary Finkbeiner furnished dinner music.

The honorees receiving special recognition were Lois Becker, Earlene Tapley, Ray Tate, Ray Mc-Gregory, Howard Miller, Herb Myers, Don Mesman, Fred Rapp and Don Fogelsonger.

To Represent School At Convention

Northwest Nazarene College will be represented this year at the Pacific Student President's Association by Howard Miller and Dick Ivester.

The convention will be held this year on the University of Arizona campus May 13-16. Problems of student government will be discussed by student presidents representing colleges and universities of the Pacific area.

Eighty-one Seniors Observe Investiture

Eighty-one seniors were invested last Monday night at the Investiture program held in the College chapel.

Dr. Alvin H. Kauffman delivered the main address and Dean of the College Dr. Thelma B. Culver gave the Charge. Dr. Gilbert Ford spoke on "The Significance of Investiture."

Others on the program were Rev. Eugene Stowe, Dr. Carl Hansen, Lauren Sanders, Virginia Walton and Marvin Bloomquist.

Bonnie McGraw and Carlton Bryton, top ranking members of the junior class, served as marshals.

Dr. and Mrs. Riley honored the graduates at a reception in Morrison Dining Hall following the program.

KROK Lists Four New Radio Programs

New members of the KROK oprating staff include with "Music By the Masters", Geo. Mowry and Ray Cooke in the 'George and Ray Program, and Earlene Tapley with the "NNC Crusader News."

Other regularly scheduled programs include 7:30 news with Marvin Emrich, Bob Harmon and Fred Rapp; Paul Bynum in "Speaking of Sports" and "Sacred Melodies" with newly secured records by Les Barnett and other sacred artists.

Assistant station manager and director of original programs, Fred Rapp, has secured several new records from Fellowship Music and International Sacred Recordings.

Marvin Emrich, manager-elect of KROK, has already started plans for increasing the power of the station by the addition of a FM transmitter to be built by Virgil Vail, head engineer. Also included in the future plans is an increased and well-trained staff.

"The station has improved greatly and is now running with almost a full roster of advertisers," commented Manager Grenier at the last staff meeting. "We appreciate the

ROSE E. VOGET

More honors came to Northwest Nazarene College this week when Mrs. Rose Voget was elected vice president of the Idaho Business Education Association.

Mrs. Voget is serving as head of the business administration department and has been teaching secretarial training classes at NNC since tached rakes and hoes. 1949.

She received the A. B. degree from Washington State College and will receive the Master's degree this summer from W. S. C.

Other officers elected were Mrs. Helen M. Payne of Twin Falls, Idaho as president and Helen Williams of Arco as secretary-treasurer.

Circle K Holds Formal Dedication Of Morrison Chapel

Last Sunday the dedication of the Morrison Hall Prayer Chapel brought to an end the first large project of the NNC Circle K club. Built at a cost of approximately \$600, "The Upper Room" is to be used for prayer and spiritual guidance for each of Morrison's future residents.

Riley Dedicates Chapel

Speaker for the dedication service was College President Dr. John E. Riley. Also participating on the program were Rod Newman, Ginny Poplin, Mrs. Ruth Mack and other members of Circle K.

Norman Stueckle has been in charge of completing the project. Finance chairman was Fred Rapp, assisted by Howard Arnold, Harold Weber and KROK Manager Richard Grenier. Mr. L. Wesley Johnson, executive chairman of Circle K Clubs for Kiwanis of Utah and Idaho, has also given the Club a great deal of assistance.

Kiwanians Are Active

Members of Circle K feel that the Nampa Kiwanians have played a large part in the success of both the project and the club.
